2. No member shall hold conversation with another while a member is speaking in debate.

9. A question which is postponed indefinitely shall not be acted upon during the biennium except whenever two-thirds of the whole number of elected Senators shall on division taken, vote in favor thereof. A member who is to be absent when the yeas and nays are required may pair his vote with another member, to be present or also to be absent, who intends to vote on the opposite side of the question. Pairs shall be permitted only if the yeas and nays are taken on such question. Both members shall file such pair in writing with the Clerk before the question is put. In all cases of pairing, the vote of neither member shall be counted in determining the result of the roll call; but the Clerk shall announce all pairs and enter them in the Journal. The President shall determine the order of the roll call. No member shall be required to vote in any case where he was not present when the question was put.

13. In case of any disturbance or disorderly conduct in the gallery, the President shall have the power to order the same to be cleared. The Chairman of the Committee of the Whole may restrict attendance to the duly elected Senators.

14. No vote shall be reconsidered, unless the motion for reconsideration be made by a member who voted with the prevailing side, nor unless the notice of such motion be given to the Senate in open session prior to adjournment on the same day on which the vote as passed, or on the next day on which the Senate shall be in session within one half hour after the convening of the early session, and any such notice of reconsideration shall be effective for three legislative days only and there-

after shall be null and void.

14. (a). Reconsideration of any bills subject to a transfer date established by joint rules must be acted on or before the joint rule deadline, and thereafter shall be null and void.

15. Before any petition shall be received and read, a brief statement of the contents thereof shall be made by the member introducing the same.

16. All petitions, memorials and other papers addressed to the Senate and all bills and resolutions to be introduced in the Senate, shall be endorsed with the name of the Senator presenting them, and with the subject matter of the same. Every bill shall be marked on the first page "Senate Bill" and numbered serially; every joint resolution shall be marked "Senate Joint Resolution" and numbered serially; every concurrent resolution proposing a constitutional amendment shall be marked "Concurrent Resolution Proposing a Constitutional Amendment" and numbered serially; and every other concurrent resolution shall be marked "Senate Concurrent Resolution" and numbered serially, as each bill or resolution is introduced into the Senate.

17. All petitions, memorials and other papers addressed to the Senate and all bills and resolutions to be introduced into the Senate shall be delivered or caused to be delivered to the Office of Legislative Services, which in turn will submit it to the sponsor for his signature, and then to the Clerk by Legislative Services. If requested by the sponsor, a proposed bill, resolution or petition shall not be made public, except by the sponsor, until signed by the sponsor. During any adjournment the President may receive bills and resolutions for printing and for reference to committee, provided that no bill shall have a public hearing until it is formally introduced into the Senate printed and available for distribution. The President shall take up all bills and resolutions for introduction at the early session.

17-A. (a). The Office of Legislative Services shall not draft a Senate bill or joint resolution, other than the general appropriations (budget) bill or the capital budget bill, unless a request by a member for drafting with complete information has been received not later than 5:00 pm Thursday, December 22, 1994.

(b) Every Senate bill and joint resolution, other than the general appropriations (budget) bill or the capital budget bill, must be signed off in Legislative Services by 5:00 p.m., on Thursday, January 12, 1995.

(c) Notwithstanding the provisions of 17 (a), (b), and (c), a Senate bill, Senate joint resolutions, or Senate concurrent resolution may be accepted by Legislative Services for drafting and introduced into the Senate at any time prior to the deadline established by Joint Rules for the transfer of bills out of the first body if approved by either a majority of the Senate Rules Committee or a two-thirds vote on the floor.

(d) No bill the subject matter of which has been indefinitely postponed or made inexpedient to legislate in the Senate in the first-year session shall be admitted

into the second-year session whether as a bill, an amendment, a committee of conference report or in any other manner;

(e) Legislation returned from the non-originating body, with an amendment, shall not be re-referred to Committee but shall have one of the following recommendations: Concur, Nonconcur, Nonconcur and Request a Committee of Conference.

17-B. Committees of Conference.

(a) Whenever there be any disagreement between the Senate and the House on the content of any bill or resolution, and whenever both bodies, voting separately, have agreed to establish a committee of conference, the President of the Senate shall appoint three members to the Senate conference committee on the bill and the Speaker of the House shall appoint four members to the House conference committee. Exceptions: (1) the House committee of conference on the operating budget shall consist of five members; (2) the number of the members of the committees of conference on any bill may increase or decrease if the President and the Speaker both agree. The two committees of conference on a bill shall meet jointly but vote separately while in conference. A unanimous vote by both committees of conference shall be necessary for an agreed report to the Senate and the House by the committees of conference.

(b) The first-named person from the body where the bill or resolution in disagreement originated shall have the authority to call the time and place for the first meeting of the committees of conference on said bill.

(c) The first-named person on a committee of conference shall be the chairman of that conference. The chairman of the committee of conference of the body where the bill or resolution in disagreement originated shall chair the joint meeting of the committees of conference.

(d) No action shall be taken in either body on any committee of conference report earlier than some subsequent day, after the report has been delivered to the seats or placed on a member's desk. A committee of conference may neither change the title of any bill submitted to it nor add amendments which are not germane to the subject matter of the bill as originally submitted to it.

(e) Conference Committees on Budget Bills. The report of each committee of conference on either the general appropriation bill, or the capital improvements bill shall be printed in the journal or a supplement thereto of the appropriate body before action on said report is taken on the floor. Non-germane amendments, sections and footnotes to such bills (except footnotes in explanation of the principal text of such bills or designating the use or restriction of any funds or portions thereof) are prohibited and shall not be allowed under any circumstances. Notwithstanding the general provisions of paragraph (h) of this section, the Conference Committee on general appropriations bill may propose new items for inclusion in said bill but no such

item may be so included unless and until it shall have been returned to both the Senate and the House and adopted in identical form by a majority vote in each body.

(f) When both committees of conference on a concurrent resolution proposing an amendment to the constitution have agreed, the committee of conference from the body which acceded to a request for committees of conference shall file its report with the clerk of that body who shall print it in full in the journal or supplement of that body. The report shall be made a special order of business at the late session of a subsequent day. After said report has been adopted by the first body, a message shall be transmitted to the second body which shall then act upon the report of its committee of conference.

(g) A sponsor of any bill or joint resolution referred to committees of conference shall, upon his request, be granted a hearing before said committees prior to action thereon.

(h) No member of a committee of conference shall sign any report that contains non-germane amendments or subject matter that has been indefinitely postponed in either body. For the purposes of this rule, a non-germane amendment would be any subject matter not contained in either the House or the Senate version of the bill.

18. All resolutions which may require the signature of the Governor shall be treated in the same manner as bills.

19. Every bill shall have three readings in the Senate previous to its passage. The first and second readings shall be by title only which may be accomplished by a conglomerate resolution, after which the bill shall be referred by the President to the appropriate committee and shall be printed as provided in Rule 20, unless otherwise ordered by the Senate. No bill after it has been read a second time shall have a third reading until after adjournment from the early session. The time assigned for the third reading of bills and resolutions shall be in the late session unless otherwise ordered by the Senate. The orders of the day for the reading of bills shall hold for every succeeding day until disposed of.

20. After every bill shall have been read a second time, and referred by the President to the appropriate committee, the Clerk shall procure a sufficient number of copies, printed on paper of uniform size, for the use of the legislature, and cause the same to be distributed to the members, and when printed the bill shall be immediately delivered to the committee to which it shall have been referred. Bills received from the House shall be printed at the same stage of their procedure unless they have been printed in the House and copies distributed in the Senate, in which case any amendment made by the House shall be duplicated and distributed in the Senate.

21. No amendment shall be made but upon the second reading of a bill; and all amendments to bills and resolutions shall be in writing, with the name of the Senator and the district he represents thereon. No amendment to any bill shall be proposed

or allowed at any time or by any source, including a committee of conference, except it be germane. Amendments shall have been reviewed by the Office of Legislative Services for form, construction, statutory and chapter reference.

22. A hearing shall be held upon each bill referred to a committee, and notice of such hearing shall be advertised at least 5 days before hearing in the Senate Calendar.

(a) All bills in the possession of committees shall be reported out with one of the following recommendations: ought to pass, ought to pass with amendment, inexpedient to legislate, or refer for interim study. refer for interim study shall be a committee report only in the second year.

(b) any legislation creating a chapter study committee shall have membership limited to members of the General Court.

23. When a bill is reported favorably with an amendment, the report of the committee shall state the amendment, and then recite the section of the bill in full as amended. The amendment shall be printed in the calendar of the Journal on the date that the report is listed for action. If no action is taken on that day, then the amendment shall be printed on the day to which the bill has been referred. All bills reported shall be laid upon the table and shall not be finally acted upon until the following legislative day, and a list of such bills with the report thereon shall be published in the Journal for the day on which action shall be taken.

24. Every bill and joint resolution appropriating money, which has been referred to another committee and favorably accepted by the Senate, shall be committed to the Finance Committee for review. If any such bills have been referred jointly to the Finance Committee and another standing committee, the Finance Committee may report separately and a further public hearing may be held at the discretion of the Finance Committee. All bills appropriating money, which are referred directly to the Finance Committee shall have a hearing. Any bill which has been referred to another committee and favorably accepted by the Senate, which has an economic impact on the state may be referred to the Committee on Economic Development for review. The Committee on Economic Development may hold a further public hearing at the discretion of the Committee.

25. All warrants, subpoenas and other processes issued by order of the Senate shall be under the hand and seal of the President attested by the Clerk.

26. All committees of the Senate, including Senate members on committees of conference, shall consist of members of both parties as nearly equal as possible, provided that on all committees, both parties shall be represented. The President shall appoint the members of all committees, after consulting with the minority leader.

27. The standing committees of the Senate shall be as follows: The Committee on Finance, Committee on Capital Budget, Committee on Ways & Means, Committee on Banks, Committee on Economic Development, Committee on Education,

Committee on Environment, Committee on Executive Departments & Administration, Committee on Fish & Game & Recreation, Committee on Insurance, Committee on Interstate Cooperation, Committee on Judiciary, Committee on Public Affairs, Committee on Public Institutions Health & Human Services, Committee on Rules & Enrolled Bills, and the Committee on Transportation.

28. Messages shall be sent to the House of Representatives by the Clerk of the Senate.

29. Messages from the Governor or House of Representatives may be received at all times, except when the Senate is engaged in putting the question, in calling the yeas and nays, or in counting the ballots.

30. All questions shall be put by the President, and each member of the Senate shall signify his assent or dissent by answering yea or nay. If the President doubts, or a division is called for, the Senate shall divide. Those in the affirmative on the question shall first rise from their seats and stand until they be counted. The President shall rise and state the decision of the Senate.

31. No person except members of the executive, or members of the House of Representatives and its officers, shall be admitted to the floor of the Senate, except by the invitation of the President, or some member with his consent.

32. The Senate shall adjourn to meet on the subsequent legislative day for the early session at the time mentioned in the adjournment motion. The late session shall immediately follow the early session unless the Senate shall otherwise order.

33. No standing rule of the Senate shall be suspended unless two-thirds of the members present vote in favor thereof. This rule shall not apply to Senate Rule 9.

34. No rule shall be rescinded unless two days notice of the motion has been given and two-thirds of those present vote therefor.

35. The Senate may resolve itself into a Committee of the Whole at any time on motion made for that purpose; and in forming a Committee of the Whole, the President shall leave the chair, and appoint a chairperson to preside in committee.

36. The President when performing the duties of the Chair may, at any time, name any member to perform the duties of the Chair.

37. The staff of the Senate shall be comprised of a clerk, an assistant clerk, a sergeant-at-arms, and a doorkeeper who are to be elected by the Senate, and such other personnel as the President shall appoint. The President shall define the duties of all members of the Senate staff which are not fixed by statute or otherwise ordered by the Senate.

38. Each member of the staff of the Senate shall be available on call to carry out the work of the Senate.

39. The committees shall promptly consider and report on all matters referred to

them. The President may authorize such committees having a heavy load of investigation, re-drafting, research or amendments to meet as needed on non-legislative days during the legislative session. The Clerk of the Senate shall prepare a list by number, title and sponsor of all Senate bills and resolutions in committee which have not been acted upon within one week before the deadline established for the transfer of bills and resolutions from the Senate to the House of Representatives, and he/she shall distribute this list to every member of the Senate as soon as it is prepared.

40. Any appeal from the ruling of the presiding officer shall be decided by majority vote of the members present and voting.

41. No new motion shall be admitted under color of amendment as a substitute for the motion under debate.

42. In all instances every member shall act in conformance with the duly adopted Ethical Guidelines and Opinions of the New Hampshire General Court.

43. Action on the floor of a report of the Committee on Finance or a Committee of Conference on either the general appropriations (budget) bill or the capital budget bill, shall not be taken by the Senate, until said report has been available from the Senate Clerk twenty-four hours in advance, in written form. Nongermane amendments and footnotes to such bills (except footnotes in explanation of the principal text of such bills or designating the use or restriction of any funds or portions thereof) are prohibited and shall not be allowed under any circumstances.

44. PERSONAL PRIVILEGE: A Senator may, as a matter of personal privilege, defend his/her position on a bill, his/her integrity, his/her record, or his/her conduct, against unfair or unwarranted criticism, or may speak of an issue which relates to his/her rights, privileges or conveniences as a Senator; provided, however, the matters raised under personal privilege shall not be subject to questioning, answer, or debate, by another Senator. Personal Privilege remarks may be included in the Daily Journal if requested by the Senator, and in the Permanent Journal by vote of the Senate. A Senator may speak on other matters of his/her choosing and in such cases may be subject to questioning and/or answer according to the Rules of the Senate.

45. No officer or employee of the Senate during the session or any adjournment thereof shall purchase or contract for the purchase, pay or promise to pay any sum of money on behalf of the Senate or issue any requisition or manifest without the approval of the Senate President.

46. If a drafting request for a bill or resolution has been filed with the office of Legislative Services requiring a fiscal note as provided in RSA 14:44-47, the substance or a draft of the proposal may be provided to the legislative budget assistant for preparation of the required fiscal note without the specific consent of the sponsor of the proposal, provided that the identity of the sponsor shall not be disclosed.

DECORUM AND DEBATE

10. In all cases not provided for by the Constitution, House Rules or Joint Rules, "Mason's Manual of Legislative Procedure," 1989 Edition, shall be referred to as the primary guide.

11. When any member is about to speak in debate, make a motion, or deliver any matter to the House, he shall rise from his seat and respectfully address the Speaker, declaring the purpose for which he rises to speak.

12. In all cases the member rising first shall speak first. When two or more members rise at the same time, the Speaker shall name the person to speak. When many members choose to speak, they may file their names with the Clerk, who shall supply the list to the Speaker. The Speaker shall name the order in which the members shall speak.

13. No member shall speak more than twice on the same question without leave of the House. No member shall speak more than once until every member choosing to speak has spoken.

14. While the Speaker is putting a question or addressing the House, no one shall walk out of or across the House. While a member is speaking, no one shall pass between him and the members of the House, nor shall anyone entertain private conversation.

15. If any member transgresses the rules of the House, the Speaker shall, or any member may, call him to order. The member called to order shall immediately sit down and the question of order shall be distinctly stated from the Chair. The decision of the Speaker on the question of order shall be conclusive unless the decision is immediately appealed to the House. The House shall decide the appeal by a majority vote of those members present and voting.

16. In all instances, every member shall act in conformance with the duly adopted New Hampshire General Court Ethics Guidelines and Procedures and opinions of the Legislative Ethics Committee.

17. Before any petition is received and read, the substance of the petition shall be in concise form, and the name of the member or person presenting it and his district shall be recorded on the petition. The Speaker shall state the substance of the petition.

18. After a motion is stated by the Speaker, it shall be in possession of the House, but may be withdrawn at any time before an amendment.

19. (a) When any question is under debate, no motion shall be received, but first: to adjourn; second: to lay on the table; third: for the previous question; fourth: to postpone to a certain day: fifth: to commit; sixth: to amend; seventh: to postpone indefinitely. These motions shall have precedence in order in which they are listed. Motions to adjourn, to lay

on the table, for the previous question, and to take from the table shall be decided without debate. A motion to postpone to a certain day shall be debatable both as to time and subject matter. No vote on a motion to lay on the table a Constitutional Amendment Concurrent Resolution shall pass unless approved by an affirmative vote of three-fifths of the entire House membership.

(b) When a question is postponed indefinitely, it shall not be acted on during the same session, unless two-thirds of those members present and voting vote in favor thereof.

(c) On a motion to amend, the refusal by the maker of the amendment to strike out words shall neither preclude amendment to such words nor a motion to strike out and insert.

(d) A motion for commitment shall preclude all amendments to the main question until it is decided; and all motions and reports may by committed at the pleasure of the House.

(e) No new motion shall be admitted under color of amendment as a substitute for the motion under debate.

20. (a) The Speaker shall put the previous question in the following form: "Shall the main question now be put?" and all debate on the main question shall be suspended until the previous question has been decided. After the adoption of the previous question, the sense of the House shall forthwith be taken on pending amendments, in their regular order, and then on the main question. The motion for the previous question shall not be put unless demanded by three members.

(b) All incidental questions of order arising after a motion of the previous question and related to the subjects affected by the order of the previous question shall be decided without debate.

(c) If the previous question is decided in the negative, it shall not again be in order for the particular question under consideration until after adjournment, but the main question shall be left before the House and disposed of as though the previous question had not been put.

21. (a) There shall be three forms of putting the question: voice vote, division vote, roll call vote. No member shall vote in any case when the member was not present when the question was put.

(b) The question put by voice vote shall be: "All those in favor of the question say 'aye,'" and after the affirmative vote is expressed, "Those of a contrary opinion say 'no.'"

(c) A division vote shall be taken if the Speaker doubts the voice vote or if a member calls for a division vote. When a division of the House is taken,

the Speaker may appoint a teller for each seating division of the House, who shall report to the Chair the state of the vote.

(d) A roll call shall be taken when a member moves for a roll call vote and that motion is seconded by ten other members. The member requesting the roll call vote and the ten members who second the motion shall notify the speaker in writing or shall rise from their seats or otherwise be recognized by the Speaker.

(e) When a division or a roll call is taken, the Speaker shall put the question and open the voting stations for not more than 30 seconds. Each member present at his voting station shall press either the YES/Green or NO/Red button unless excused by the House for a special reason. When the Speaker closes the vote, he shall rise and state the decision of the House.

(f) Any member may call for a division of the question when the sense will admit it.

22. In case of a tie vote, the question shall be lost.

23. No member shall leave his seat while the voting machine is in use and until the Speaker announces the result of the vote.

24. (a) No vote shall be reconsidered unless the motion for reconsideration is made by a member who voted with the prevailing side while the bill or resolution is in the possession of the House. Reconsideration of any bills subject to a transfer date established by joint rules must be acted upon on or before the joint rule deadline, and thereafter shall be null and void.

(b) Notice of a motion for reconsideration shall be in order only until noon on the next business day after the date that the vote was taken.

(c) Any such notice of reconsideration shall be effective for two legislative days only and thereafter shall be null and void.

(d) The day when notice is served shall be counted as the first legislative day, even if notice occurs while the House is in recess or adjournment.

(e) When notice of reconsideration is received by the House, the Clerk of the House shall hold the bill or resolution relative to which such notice has been served until the expiration of the time within which such notice is effective.

25. When the reading of a paper or a document is objected to by a member, the question shall be determined by a vote of the House without debate.

26. Each member shall seasonably and punctually attend to his duty in the House or committee, and no one shall be absent from the service of the House or committee unless he has leave, or is sick and unable to attend.

The appointments to committees for the majority party shall be made by the Speaker and appointments to committees for the minority party shall be made by the Speaker with the advice of the duly appointed minority party floor leader. BILLS

34. The Office of Legislative Services shall identify LSRs in language which makes clear the intent of the bill. LSRs, with the name(s) of the sponsor(s), shall be published by the Office of Legislative Services. The Speaker of the House shall adjudicate any disagreement concerning the publication of LSRs that may arise between bill sponsors and the Office of Legislative Services.

(b) The Office of Legislative Services shall not accept a request to draft any bill which is the same, or essentially the same, as any other drafting request already accepted in the same session. If duplicate or similar legislation is requested, the Director of Legislative Services shall notify the sponsors of each filing request and mediate an agreement for the filing of a single bill. Filing requests resulting from legislative committee work shall take precedence over all other duplicate or similar filings. The name of the House member whose LSR request is denied due to duplication may be substituted on request for that of the original sponsor if the

original sponsor withdraws the drafting request prior to the sign-off deadline.

(c) Notwithstanding (a) and (b), any member may have legislation drafted and introduced upon receiving approval of a majority vote of the House Rules Committee or by a two-thirds vote of those House members present and voting.

(d) First-year session:

(1) In the first-year session, there shall be no limitation on the subject matter of legislation introduced.

(2) As soon as possible after the end of the first-year session, the Clerk shall publish in the House Calendar those bills voted inexpedient to legislate, indefinitely postponed or re-referred in the first-year session, and those bills which created study committees with November 1 reporting deadlines. The listings shall be in numerical order by bill number/title, and in subject order by bill number/title.

(e) Second-year session:

(1) No bill or resolution shall be introduced if it is substantially similar to any legislation which was indefinitely postponed or voted inexpedient to legislate by the House in the first-year session, unless it has been approved by a majority of the House Rules Committee or a two-thirds vote of those House members present and voting, whether as a bill, an amendment, a committee of conference report or in any other manner.

(2) A request shall not be accepted to draft any bill which is the same, or essentially the same, as any bill voted inexpedient to legislate, indefinitely postponed, re-referred, or made the subject of a statutory study committee in the first-year session unless approved for drafting and introduction by a majority vote of the House Rules Committee or a two-thirds vote of those House members present and voting.

35. (a) All petitions, memorials, and other papers addressed to the House and all bills and resolutions to be introduced in the House shall be delivered or caused to be delivered to the Office of Legislative Services by the person presenting them. The Office of Legislative Services shall prepare those bills, resolutions, petitions, memorials and other papers in proper form and shall present them to the member(s) for signature. Legislative Services shall give precedence in drafting legislation to any measure which carries a fiscal note and all such legislation shall be prepared for signature by the sponsor by the date specified in Rule 65.

(b)(1)All bills, resolutions, bills of intent, petitions, memorials and other papers addressed to the House, shall be endorsed with the name and the

district of the legislator presenting them. All legislation shall be numbered serially according to type of legislation introduced.

(2) Each bill shall be marked on the first page "House Bill"; each bill of intent shall be marked "House Bill of Intent"; each joint resolution shall be marked "House Joint Resolution"; other concurrent resolutions shall be marked "House Concurrent Resolution"; and each house resolution shall be marked "House Resolution."

(c) When a bill is proposed by any state agency, the name of the agency proposing it shall appear in the bill analysis.

(d) No LSR number shall be assigned and no House bill shall be drafted unless the LSR or bill has a House sponsor. No more than five House members shall be allowed to sponsor any bill. No more than 5 Senate members shall be allowed to co-sponsor legislation originating in the House. If more than five House members wish to be sponsors, the person who first requested the drafting of the bill, house resolution, concurrent resolution, joint resolution, constitutional amendment, concurrent resolution or bill of intent shall determine the names of the four co-sponsors whose signatures are required for introduction. Other House members may be added as co-sponsors by notifying the Clerk prior to the date of the first public hearing on the proposal, and their names shall be recorded in the permanent journal of that session.

(e) If a drafting request for a bill or resolution, filed with the Office of Legislative Services, requires a fiscal note as provided in RSA 14:44-47, the substance or a draft of the proposal may be provided to the Legislative Budget Assistant for preparation of the required fiscal note without the specific consent of the sponsor of the proposal.

(f) For the purposes of these rules, money bills are those that either appropriate money or affect state revenues, whether new or existing.

36. (a) Any member may submit a bill of intent which shall be a document written in plain language setting forth a problem of concern but not necessarily proposing a change in existing statutes. For the purpose of introduction, printing, and committee referral, a bill of intent shall be treated the same as a bill.

(b) Any committee receiving a bill of intent is required to report its action to the House. If legislation is recommended, the bill of intent shall be subject to the same rules and deadlines established for bills. In any case, the committee shall meet with the sponsor of a bill of intent and may, by majority vote, choose to hold a public hearing. Bills of intent referred to interim study shall be reported by the same date and in the same manner

as other bills.

37. Every request by a member of the House for drafting a bill, house resolution aking a policy position, concurrent resolution, constitutional amendment-concurent resolution, or joint resolution other than the general budget or the capital budget bill, shall be accepted by the Office of Legislative Services for processing no ater than the date specified by Rule 65. Each request shall be accompanied by the complete information necessary for drafting.

(a) This deadline shall not apply to bills of intent which may be accepted by the Office of Legislative Services until the date specified as the first crossover date by Rule 65.

(b) This deadline shall not apply to house resolutions which do not propose policy positions. Such resolutions may be accepted for drafting by the Office of Legislative Services at any time.

38. (a) The sign-off deadlines set by Rule 65 shall supersede the time limits set forth in this Rule.

(b) The sponsor of any legislation shall sign it for introduction within ten calendar days after the draft legislation is mailed to the sponsor for approval, whether or not the fiscal note has been prepared. If the tenth day falls on a Saturday, Sunday, or holiday, the ten-day period shall expire on the subsequent working day. The sponsor's name shall be published at least once on the "signatures needed" list in the House Calendar within the sign-off period. If the sponsor requests a redraft within the sign-off period, the sponsor shall sign the legislation for introduction within ten calendar days after the redraft has been mailed to the sponsor. No more than one redraft per LSR may be requested during the last ten days prior to the sign off deadline. The sign-off deadline in section (a) shall supersede the time limits set forth in this section.

(c) If the primary sponsor signs the legislation in time for introduction, but one or more co-sponsors fails to sign, the legislation shall be introduced in the names of those sponsors who have signed. If the primary sponsor fails to sign the legislation in time for introduction, a co-sponsor may become the primary sponsor. If the primary sponsor fails to sign, and no co-sponsor wishes to become the primary sponsor, the legislation may not be introduced without suspension of this rule.

39. All joint resolutions shall be treated in the same manner as bills.

40. (a) All House Bills, House Joint Resolutions, House Concurrent Resolutions and House Resolutions proposing that the House take a policy position may be introduced at any time prior to any deadline established by the House for their introduction.

(b) Bills of Intent may be introduced into the House at any time prior to any

deadline established by Joint Rules for the transfer of bills out of the first body.

(c) Exceptions:

(1) Notwithstanding any other provisions of the Rules, a House Bill, House Joint Resolution, House Bill of Intent or House Concurrent Resolution may be accepted by the Office of Legislative Services for drafting and introduced into the House at any time prior to the deadline established by Joint Rules for the transfer of bills out of the first body if approved by either a majority of the Committee on Rules, or a two-thirds vote on the floor; and

(2) House Resolutions proposing that the House take a policy position may be accepted for drafting and introduced into the House at any time after the deadline for introduction of bills and resolutions if approved by either a majority of the Committee on Rules, or a two-thirds vote on the floor.

41. Every bill, resolution, joint resolution, and concurrent resolution proposing that the House take a policy position shall have three separate readings in the House prior to its passage. The first and second readings and referral to committee shall be by title only which may be accomplished by a conglomerate motion, after which the bill shall be referred by the Speaker to the appropriate committee and shall be printed as provided in Rule 42, unless otherwise ordered by the House. No bill or resolution after it has been read a second time shall have a third reading until after adjournment from the early session. The time assigned for the third reading of bills, resolutions, and joint resolutions shall be in the late session unless otherwise ordered by the House. The orders of the day for the reading of bills shall hold for every succeeding day until disposed.

42. After each bill has been numbered and referred by the Speaker to the appropriate committee, the Clerk shall provide a copy to the committee chairman and procure a sufficient number of copies for distribution.

43. (a) A hearing shall be held on each bill referred to a committee.

(b) Notice of committee action shall be posted as follows:

the Clerk's Office and outside the committee room at least 24 hours prior to the meeting.

(c) When requested by the President of the Senate, the Speaker may authorize and direct the appropriate House committee or committees to sit with the appropriate Senate committee or committees at a public hearing of any Senate bill, and no further public hearing on such bill shall be required when such bill is received subsequently in the House from the Senate.

(d) The hearing provided for by this rule shall be held on each bill referred to a committee within 28 calendar days of such referral, not counting for the purposes of this rule any legislative days prior to the distribution of printed copies of such measure. The Clerk shall keep an accurate record of the date of distribution of printed copies of each bill and shall notify the Speaker whenever 28 calendar days have passed. The Speaker shall then revoke the reference of such measure to committee and shall place such bill before the House for action, upon giving notice of seven calendar days in the House Calendar. A committee hearing held on or before the expiration of such seven day notice period shall take precedence over the order of the Speaker. Whenever it shall not be convenient for any committee to hold a hearing on a bill within 28 calendar days, the committee may ask the House for extensions of time for that particular bill. Each extension of time shall not exceed 14 calendar days and shall take precedence over action by the Speaker. This section shall not apply to bills assigned to the Finance Committee.

44. (a) All bills in the possession of committees shall be reported out by the date specified in Rule 65 with one of the following recommendations: Ought to Pass, Ought to Pass with Amendment, Re-refer to Committee, Inexpedient to Legislate, Refer for Interim Study, or Recommended but to be Laid Upon the Table Because of Funding. 1) Recommended for Future Legislation;

2) Recommended, with Amendment, for Future Legislation;

3) Not Recommended for Future Legislation.

(b) All committee reports on bills shall be printed in the House Calendar on the day that the committee report is listed for floor action, and at least once previously. If a bill is reported favorably with an amendment, the committee report shall state the amendment and then recite the section of

the bill in full as amended. The amendment shall be printed in the House Calendar at least once prior to the date listed for floor action.

(c) If a bill is reported Re-refer to Committee, it shall read Re-refer to Committee for action in the second-year session. The report on a re-referred bill shall contain a separate and adequate explanation of the issue(s) which require(s) review. Bills which have been re-referred to the Finance Committee may be referred by the Speaker to the original committee to which it was assigned when the House adjourned from the first session. All bills re-referred in the first-year session shall be acted on by the third legislative day of the second-year session.

(d) (1) No committee shall report with a positive recommendation any bill or resolution which would, if enacted, be a clear violation of Part I, Article 28-a of the N.H. Constitution.

(2) The vice chairman or another member of each committee shall review all pending legislation and shall advise the chairman and the members of all legislation before the committee which should be eviewed in terms of Rule 44(d)(1) above.

45. (a) No amendment shall be made until the second reading of a bill. All amendments to bills shall be prepared by the Office of Legislative Services, with the name of the member and the district he represents.

(b) No amendment shall be added to any bill, resolution, joint resolution or concurrent resolution which is not germane to its subject matter.

(c) When a bill comes before the House, the body shall first consider the printed majority report of the committee. The Speaker shall not permit a motion to substitute any permitted alternative report for the Committee Report until the House has properly disposed of the majority report.

46. (a) All bills and joint resolutions appropriating state money, which have been reported favorably from any committee, shall be referred to the Committee on Finance. If such bills have been referred to the Committee on Finance after report by another standing committee, the Committee on Finance may report separately and no further hearings shall be required by the Committee on Finance. Hearings on bills assigned to the Committee on Finance may at the discretion of the chairman be assigned to and held by the division of the committee to which the bill is assigned and no further hearing may be required.

(b) All bills and resolutions affecting state revenues or fees shall, if approved by the House when reported from the Committee on regulated Revenues, be referred to the Committee on Finance. Any bill or resolution establishing, amending, or repealing a state fee established in statute, excluding professional licensing fees, shall, if approved by the House when

reported by the appropriate policy committee, be referred to the Committee on Finance.

(c) All bills and resolutions addressing licensure and/or certification shall, if approved by the House when reported by the appropriate policy committee, be referred to the Committee on Executive Departments and Administration for a further report on the effect of the passage of such a bill or resolution.

(d) All bills and resolutions affecting criminal penalties, if approved by the House when reported by the appropriate policy committee, shall be referred to the Committee on Corrections and Criminal Justice.

(e) The chairmen of committees named in this rule with the approval of the Speaker may:

(1) decline the referral of any bill from another committee; or

(2) notwithstanding the provisions of Rule 43 (a), waive the public hearing on any bill referred from another committee.

47. Any budget bill reported by the Committee on Finance shall contain a balanced spending plan. In the second-year session, the Committee on Finance shall hold hearings on proposed changes to the State spending plan for the current biennium and may submit a supplemental budget bill.

48. (a) There shall be a detailed briefing on the general budget bill presented to the House at least two days before final action is taken on such a bill and, in any event, not later than the deadline established in Rule 65.

(b) There shall be a detailed briefing on Senate changes to the House version of the general budget bill presented to the House membership by the second session day after the establishment of a Committee of Conference. The purpose of such a briefing will be to inform the House of the Senate position on the bill and to provide a sense of the House on that position as advisory guidance to the House conferees.

49. (a) Committee of Conference reports shall be distributed to be acted on on some subsequent day.

(b) No member of a Committee of Conference shall sign any report which contains non-germane amendments or subject matter that has been indefinitely postponed in either house. For the purpose of this rule, a non-germane amendment is any subject matter not contained in either the House or Senate version of the bill.

(c) A Committee of Conferee report analysis prepared by the first-named House member shall be printed in the House Calendar.

(d) A Committee of Conference report may be placed on the Consent Calendar only by a unanimous vote of all House conferees.

50. All committees must report all bills referred to them eight days prior to any deadline for the House to take action unless otherwise provided in Rule 65. Any bill not reported shall be placed on the calendar by the Speaker with a report of No Recommendation and the reference to committee shall be revoked.

51. The Speaker may designate any legislative day as a Consent Calendar day by giving two days printed notice in the House Record. No bill shall be on a Consent Calendar unless the committee to which the bill was referred approves its placement on the Consent Calendar by a unanimous vote in executive session. Any member may request removal of any bill listed on Consent Calendar. Any bill removed from the Consent Calendar shall be taken up at the conclusion of the Regular Calendar. All matters remaining on the Consent Calendar shall be acted upon without debate.

52. No standing rule of the House shall be suspended unless two-thirds of the members present vote in favor thereof.

53. No rule shall be rescinded unless two days notice of a motion has been given and two-thirds of House members present vote therefor.

COMMITTEE OF THE WHOLE HOUSE

54. The House may resolve itself into a committee of the whole at any time on the motion of a member made for that purpose. In forming a committee of the whole House, the Speaker shall leave the chair, and a chairman to preside in committee shall be appointed by the Speaker.

55. When a bill or a resolution is committed to a committee of the whole House, the entire bill or resolution shall first be read by the Clerk, and then again read and debated by clauses, leaving the preamble of the bill to be considered last. The body of the bill or resolution shall not be defaced or interlined, but all amendments, noting the page and line, shall be duly entered by the Clerk on a separate paper, as they are agreed to by the committee and so reported to the House. After reporting, the bill or resolution shall again be subject to debate and amendment by clauses before a question to pass it to a third reading is taken.

56. The rules of proceeding in the House shall be observed in the committee of the whole House, as far as they may be applicable, except the rule limiting the time of speaking.

(d) The order of business listed in this rule shall be adhered to unless otherwise ordered by a majority of those members of the House present and voting.

The unfinished business in which the House was engaged at the last preceding adjournment, if called for by any member, shall have preference over all other business except the general order of the day; and no motion, or any other business except the general order of the day, shall be received without special leave of the House, until the former is disposed.

59. Adjournment. No motion for adjournment for more than five days shall be in order unless prior notice has been given in open session at least two legislative days before the motion is offered.

Any person in violation of this rule shall be subject to ejection from any such premises on the order of the Speaker and disciplinary action or arrest or both by action of the House. DEFINITIONS

RESOLUTIONS

Resolutions are the formal expressions of the opinions and wishes of the legislature. The four types of resolutions are: joint resolutions, concurrent resolutions, simple resolutions, and constitutional amendment-concurrent resolutions (CACRs).

Joint resolutions, concurrent resolutions and CACRs must be approved by both branches of the legislature, while simple resolutions are considered only by the house of introduction. All resolutions take effect upon passage, so they often are used to meet emergency situations.

(a) Joint Resolutions:

A joint resolution is one which has the force and effect of law, and as such must pass both the house and senate and be signed by the governor. The constitution, Pt. II, Art. 45, provides that joint resolutions shall be treated as bills.

Joint resolutions are introduced and considered in the same manner as bills, except that they can only be used for temporary provisions. Joint resolutions cannot be used to amend the public or private laws of New Hampshire (the RSA or the session laws), but they can be used to appropriate money for limited purposes; to establish temporary study committees; and to make adjustments in the state retirement

system for certain individuals. Because a joint resolution is effective upon passage, it is useful for supplemental or deficiency appropriations, but such appropriations may not extend beyond the second fiscal year of the biennium. As with other appropriations, if a resolution makes an appropriation from the general fund the governor must be authorized to draw his warrant for the sums appropriated.

(b) Concurrent Resolutions:

A concurrent resolution is acted on by the house or senate and sent to the other house for approval but is not sent to the governor for signature. Therefore, it does not have the effect of a law, and it is important to note that it can not be used to appropriate money. Concurrent resolutions may be used to put the legislature on record as supporting or disavowing some aspect of national or state policy. Also, a concurrent resolution may be utilized to express appreciation to some individual or group.

(c) Simple Resolutions:

A simple resolution is one which is considered by the legislative body in which it is introduced and is of interest to only that body. Neither house nor senate resolutions have the effect of law. They are written to show appreciation to some individual or group, to ask the supreme court for an advisory opinion on a bill originating in that body, to express sympathy for an individual's death or illness, or, in a lighter vein, to commemorate an event affecting one of the members.

(d) Constitutional Amendment-Concurrent Resolutions:

Amendments to the constitution may be proposed by the legislature, as well as a constitutional convention. N.H. Const. Pt. 2, Art. 100. Each body must approve the CACR by a three-fifths vote of the entire membership, then be submitted to the voters at the next biennial November election. The CACR must be approved by two-thirds of the qualified voters present and voting.

BILLS OF INTENT

A bill of intent is a document written in plain language setting forth a problem of concern but not necessarily proposing a change in existing statutes. For the purpose of introduction, printing and committee referral, a bill of intent is treated the same as a bill. House Rule 36(a).

PART FIRST

BILL OF RIGHTS

Article 1. [Equality of Men; Origin and Object of Government.] All men are born equally free and independent; therefore, all government of right originates from the people, is founded in consent, and instituted for the general good.

June 2, 1784*

[Art.] 2. [Natural Rights.] All men have certain natural, essential, and inherent rights - among which are, the enjoying and defending life and liberty; acquiring, possessing, and protecting, property; and, in a word, of seeking and obtaining happiness. Equality of rights under the law shall not be denied or abridged by this state on account of race, creed, color, sex or national origin.

June 2, 1784

Amended 1974 adding sentence to prohibit discrimination.

[Art.] 2-a. [The Bearing of Arms.] All persons have the right to keep and bear arms in defense of themselves, their families, their property and the state.

December 1, 1982

[Art.] 3. [Society, its Organization and Purposes.] When men enter into a state of society, they surrender up some of their natural rights to that society, in order to ensure the protection of others; and, without such an equivalent, the surrender is void.

June 2, 1784

[Art.] 4. [Rights of Conscience Unalienable.] Among the natural rights, some are, in their very nature unalienable, because no equivalent can be given or received for them. Of this kind are the Rights of Conscience.

June 2, 1784

[Art.] 5. [Religious Freedom Recognized.] Every individual has a natural and unalienable right to worship God according to the dictates of his own conscience, and reason; and no subject shall be hurt, molested, or restrained, in his person, liberty, or estate, for worshipping God in the manner and season most agreeable to the dictates of his own conscience; or for his religious profession, sentiments, or persuasion; provided he doth not disturb the public peace or disturb others in their religious worship.

June 2, 1784

*The date on which each article was proclaimed as having been adopted is given after each article. This is followed by the year in which amendments were adopted and the subject matter of all the amendments.

[Art.] 6. [Morality and Piety.] As morality and piety, rightly grounded on high principles, will give the best and greatest security to government, and will lay, in the hearts of men, the strongest obligations to due subjection; and as the knowledge of these is most likely to be propagated through a society, therefore, the several parishes, bodies, corporate, or religious societies shall at all times have the right of electing their own teachers, and of contracting with them for their support or maintenance, or both. But no person shall ever be compelled to pay towards the support of the schools of any sect or denomination. And every person, denomination or sect shall be equally under the protection of the law; and no subordination of any one sect, denomination or persuasion to another shall ever be established.

June 2, 1784

Amended 1968 to remove obsolete sectarian references.

[Art.] 7. [State Sovereignty.] The people of this state have the sole and exclusive right of governing themselves as a free, sovereign, and independent state; and do, and forever hereafter shall, exercise and enjoy every power, jurisdiction, and right, pertaining thereto, which is not, or may not hereafter be, by them expressly delegated to the United States of America in congress assembled.

June 2, 1784

[Art.] 8. [Accountability of Magistrates and Officers; Public's Right to Know.] All power residing originally in, and being derived from, the people, all the magistrates and officers of government are their substitutes and agents, and at all times accountable to them. Government, therefore, should be open, accessible, accountable and responsive. To that end, the public's right of access to governmental proceedings and records shall not be unreasonably restricted.

June 2, 1784

Amended 1976 by providing right of access to governmental proceedings and records.

[Art.] 9. [No Hereditary Office or Place.] No office or place, whatsoever, in government, shall be hereditary - the abilities and integrity requisite in all, not being transmissible to posterity or relations.

June 2, 1784

[Art.] 10. [Right of Revolution.] Government being instituted for the common benefit, protection, and security, of the whole community, and not for the private interest or emolument of any one man, family, or class of men; therefore, whenever the ends of government are perverted, and public liberty manifestly endangered, and all other means of redress are ineffectual, the people may, and of right ought to reform the old, or establish a new government. The doctrine of nonresistance against arbitrary power, and oppression, is absurd, slavish, and destructive of the good and happiness of mankind.

June 2, 1784

[Art.] ll. [Elections and Elective Franchises.] All elections are to be free, and every inhabitant of the state of 18 years of age and upwards shall have an equal right to vote in any election. Every person shall be considered an inhabitant for the purposes of voting in the town, ward, or unincorporated place where he has his domicile. No person shall have the right to vote under the constitution of this state who has been convicted of treason, bribery or any willful violation of the election laws of this state or of the United States; but the supreme court may, on notice to the attorney general, restore the privilege to vote to any person who may have forfeited it by conviction of such offenses. The general court shall provide by law for voting by qualified voters who at the time of the biennial or state elections, or of the primary elections therefor, or of city elections, or of town elections by official ballot, are absent from the city or town of which they are inhabitants, or who by reason of physical disability are unable to vote in person, in the choice of any officer or officers to be elected or upon any question submitted at such election. Voting registration and polling places shall be easily accessible to all persons including disabled and elderly persons who are otherwise qualified to vote in the choice of any officer or officers to be elected or upon any question submitted at such election. But no part of a man's property shall be taken from him, or applied to public uses, without his own consent, or that of the representative body of the people. Nor are the inhabitants of this state controllable by any other laws than those to which they, or their representative body, have given their consent.

June 2, 1784

[Art.] 15. [Right of Accused.] No subject shall be held to answer for any crime, or offense, until the same is fully and plainly, substantially and formally, described to him; or be compelled to accuse or furnish evidence against himself. Every subject shall have a right to produce all proofs that may be favorable to himself; to meet the witnesses against him face to face, and to be fully heard in his defense, by himself, and counsel. No subject shall be arrested, imprisoned, despoiled, or deprived of his property, immunities, or privileges, put out of the protection of the law, exiled or deprived of his life, liberty, or estate, but by the judgment of his peers, or the law of the land; provided that, in any proceeding to commit a person acquitted of a criminal charge by reason of insanity, due process shall require that clear and convincing evidence that the person is potentially dangerous to himself or to others and that the person suffers from a mental disorder must be established. Nor shall the legislature make any law that shall subject any person to a capital punishment, (excepting for the government of the army and navy, and the militia in actual service) without trial by jury.

June 2, 1784

[Art.] 17. [Venue of Criminal Prosecutions.] In criminal prosecutions, the trial of facts, in the vicinity where they happened, is so essential to the security of the life, liberty and estate of the citizen, that no crime or offense ought to be tried in any other county or judicial district than that in which it is committed; except in any case in

any particular county or judicial district, upon motion by the defendant, and after a finding by the court that a fair and impartial trial cannot be had where the offense may be committed, the court shall direct the trial to a county or judicial district in which a fair and impartial trial can be obtained.

Amended 1978 so that court at defendant's request may change trial to another county or judicial district.

[Art.] 18. [Penalties to be Proportioned to Offenses; True Design of Punishment.] All penalities ought to be proportioned to the nature of the offense. No wise legislature will affix the same punishment to the crimes of theft, forgery, and the like, which they do to those of murder and treason. Where the same undistinguishing severity is exerted against all offenses, the people are led to forget the real distinction in the crimes themselves, and to commit the most flagrant with as little compunction as they do the lightest offenses. For the same reason a multitude of sanguinary laws is both impolitic and unjust. The true design of all punishments being to reform, not to exterminate mankind.

June 2, 1784

Amended 1792 deleting "those of" after do in 3d sentence and changing "dye" to: offenses.

[Art.] 19. [Searches and Seizures Regulated.] Every subject hath a right to be secure from all unreasonable searches and seizures of his person, his houses, his papers, and all his possessions. Therefore, all warrants to search suspected places, or arrest a person for examination or trial in prosecutions for criminal matters, are contrary to this right, if the cause or foundation of them be not previously supported by oath or affirmation; and if the order, in a warrant to a civil officer, to make search in suspected places, or to arrest one or more suspected persons or to seize their property, be not accompanied with a special designation of the persons or objects of search, arrest, or seizure; and no warrant ought to be issued; but in cases and with the formalities, prescribed by law.

[Art.] 20. [Jury Trial in Civil Causes.] In all controversies concerning property, and in all suits between two or more persons except those in which another practice is and has been customary and except those in which the value in controversy does not exceed $1,500 and no title to real estate is involved, the parties have a right to a trial by jury. This method of procedure shall be held sacred, unless, in cases* arising on the high seas and in cases relating to mariners' wages, the legislature shall think it necessary hereafter to alter it.

June 2, 1784

Amended in 1877 to prohibit jury trials unless the amount in controversy exceeds $100.

[Art.] 35. [The Judiciary; Tenure of Office, etc.] It is essential to the preservation of the rights of every individual, his life, liberty, property, and character, that there be an impartial interpretation of the laws, and administration of justice. It is the right

of every citizen to be tried by judges as impartial as the lot of humanity will admit. It is therefore not only the best policy, but for the security of the rights of the people, that the judges of the supreme judicial court should hold their offices so long as they behave well; subject, however, to such limitations, on account of age, as may be provided by the constitution of the state; and that they should have honorable salaries, ascertained and established by standing laws.

   (a) For the purposes of convening the joint meetings of the Rules Committees of the Senate and the House and presiding over such meetings, the committees meeting jointly in the odd-numbered months, and the Chairman of House Rules in the even-numbered months.
   (b) Prior to the 2nd-year session, the Committees shall meet jointly for the purpose of recommending to the two bodies deadlines for the conduct and conclusion of the business of the 2nd-year session. Each body may amend and shall approve these deadlines by majority vote on the first legislative day of the 2nd-year session. The Committees shall issue a report of recommendations for 2nd-year session deadlines to the membership of both bodies, conduct at least one public hearing thereon, and issue its final report of recommendations to the general membership not less than 15 days prior to the first legislative day of the 2nd-year session.
2. When a convention of the two bodies is to be formed, whether by a requirement of the Constitution, or by a vote or resolution of the two bodies, a message shall be sent from the House of Representatives to the Senate, giving notice when the House will meet the Senate in convention. As soon thereafter as is reasonably possible, the Senate will attend in the House. The Speaker of the House shall be chairman of the convention, and shall state the reasons for forming the convention. When the House and Senate are thusly formed in convention, the rules adopted as the rules of the House shall be considered the rules of the convention, so far as they may be deemed applicable, and the convention shall accordingly be governed thereby.
3. Messages shall be sent by such person or persons as each body may deem to be proper. Messages from either body shall be received from the other at all times, except when engaged in putting a question, in calling yeas and ays, or in counting the ballots. When a message shall be received from either body to the other, it shall be announced by the presiding officer.
4. While bills are on their passage between the two bodies, they shall be under the signature of the clerk of each body respectively.
5. There shall be no limitation on the type of legislation introduced in the 1st-year or 2nd-year sessions, except:

(a) No bill the subject matter of which is substantially similar to a bill which has been indefinitely postponed or made inexpedient to legislate in either body in the 1st-year session shall be admitted into the 2nd-year session whether as a bill, an amendment, a committee-of-conference report or in any other manner; and

(b) No bill, joint or concurrent resolution, shall be introduced into either body for the 2nd-year session unless:

(1) The sponsor of such bill, joint or concurrent resolution files the legislation by title and complete information on or after May 15, 1995, and before 5:00 p.m. on June 30, 1995 to the Office of Legislative Services, and the bill is fully prepared by said office for sign off prior to October 30, 1995; or

(2) The legislation is filed by a standing or statutory study committee which is the result of official work during the interim on or after November 1, 1995 and before 5:00 p.m. on November 10, 1995 to the Office of Legislative Services, and the bill is fully prepared by said office for sign off prior to December 1, 1995; or

(3) The legislation is approved for introduction by a majority of the Rules Committee in the body in which the legislation originates. If the sponsor requests a redraft within the sign-off period, the sponsor shall sign the legislation for introduction within 10 calendar days after the redraft has been mailed to the sponsor. No more than one redraft per LSR may be requested during the last 10 days prior to the sign-off deadline.

(c) During the 1st-year session, a standing committee of the non-originating body may report a bill or resolution with the recommendation that it "be re-referred for action in the 2nd-year session."

(d) Action on any bill or resolution so re-referred by either body shall be taken in that body on or before January 11, 1996.

(e) Legislation returned from the non-originating body with an amendment shall not be re-referred to committee but shall have one of the following recommendations: Concur, Non-concur, Non-concur and request a committee of conference. A recommendation of Non-concur kills the legislation.

6. (a) Any bill or resolution which would have a fiscal impact on the revenues, expenditures, or fiscal liability of the state or any of its subdivisions shall not be introduced unless there is attached thereto a fiscal note prepared in accordance with the procedures stipulated in RSA 14:44-47.

(b) Any bill concerning state retirement systems shall not be introduced unless there is attached thereto a fiscal note based upon estimates obtained from a qualified and approved actuary as to total cost involved.

7. (a) Every bill repealing or modifying any act or statute shall refer to the same:
   (1) If contained in the Revised Statutes Annotated, by the section and chapter.
   (2) If not contained in the Revised Statutes Annotated, by the section and chapter and the session of the legislature when the same was passed expressed clearly with full reference to all amendments in sequence so that it shall not be necessary to refer to any other act or statute to ascertain its meaning.

   (b) The title of every bill shall indicate, in brief and comprehensive form, the subject matter contained in the bill.

   (c) Commencing with section 2, each section of the Operating Budget bill shall be annotated as to its source (i.e. Governor, House or Senate) and as to substantive amendments to such section. Such annotations shall be provided by the Legislative Budget Assistant and shall appear at the ends of the actual sections to which they apply.

   (d) It shall be the duty of the presiding officer of each body of the legislature to require all such bills to be made in conformity with this rule, before putting any vote thereon, except to commit or amend.

8. (a) When a bill or resolution which shall have passed in one body is rejected in the other, notice thereof shall be given to the body in which the same has passed.

   (b) After each body shall have adhered to its disagreement, a bill or resolution shall be considered lost.

9. Each body shall, on request, transmit to the other all papers, or copies thereof, on which any bill or resolution may be founded.

10. The schedule for the 2nd-year session shall be the timetable adopted by both bodies following the procedure outlined in Joint Rule 1(b) and this schedule shall constitute Joint Rule 10 for the 2nd-year session. In the 1st-year session, final action, excluding action on enrolled bills committee reports, shall be taken by each house on all bills and joint resolutions as follows:

   (a) In the originating body:
      (1) On those bills referred to the Finance Committee containing appropriations, or which raise or affect statutes raising revenue, including the bud-

get and capital budget bills, no later than the first Thursday in April in 1995 (April 6).

(2) On all other bills, no later than the third Thursday in March in 1995 (March 16).

(b) In the non-originating body:

(1) On those referred to the Finance Committee containing appropriations, or which raise or affect statutes raising revenue, including the Budget and Capital Budget bills, no later than the first Thursday in May in 1995 (May 4).

(2) On all other bills, no later than the second Thursday in May in 1995 (May 11). None of the above limitations shall apply to the Supplemental Budget bill. If any bill or joint resolution is sent to a Committee of Conference, further action may be taken subsequent to the above dates by the House and Senate.

(c) Both bodies shall take final action on all Committee of Conference reports by the fifth Wednesday of May in 1995 (May 31).

(1) Reports of Committees of Conference shall be filed with the clerks of both bodies no later than 3:00 p.m., on the fourth Tuesday in May in 1995 (May 23). The report on the Committee of Conference on the Budget bill and the Capital Budget bill shall be available on the fourth Thursday of May in 1995 (May 25).

(2) The report of the Committee of Conference on the Budget bill shall contain a balanced budget for the biennium.

(d) All bills shall be submitted to the Governor for his signature no later than the first Monday in June in 1995 (June 5). The Budget bill shall be transmitted to the Governor within one hour of its receipt by the Secretary of State regardless of the actual time of day. A supplemental budget for the 2nd-year session must be introduced no later than the second Tuesday in January in 1996 (January 9). When each body adjourns it shall adjourn to the joint call of the President of the Senate and the Speaker of the House.

11. No bill which has been indefinitely postponed shall be admitted under color of amendment by a committee of conference or otherwise.

12. No bill, joint resolution, concurrent resolution or concurrent resolution amending the constitution shall be introduced in either body after the second Thursday in February in 1996 (February 8).

(a) Before any deadline established for passage of bills from the first body, Rule

Rule 12 may be suspended by a majority vote of the Committee in either body. Deadline dates for the 2nd-year session shall be recommended by the Joint Rules committee under Joint Rule 1(b).

(b) Subsequent to any deadline established for passage of bills from the first body, Rule 12 may be suspended by a majority vote of the Rules Committee in the body in which the bill originates. Any such legislation approved by the Rules committee of either body shall be exempt from the deadlines established by joint rules except that final action on any such bill, including action on any reports of Committees of Conference, shall be taken no later than (date to be announced), and any such bill shall be sent to the Governor for his signature no later than (date to be announced.)

13. There shall be a committee in each body for the purpose of enrolling bills. All bills that have passed both bodies shall be delivered to the enrolled bills committee in each body. A member of each committee shall carefully examine each bill, enroll it, and report it, on behalf of the committee, to the respective body. If the examination of a bill shall disclose any clerical error or formal imperfection, it shall be reported back to each body with such identical amendments as are required to correct the same; and any measures so reported shall be subjected to amendment in those particulars and in no other respect. After enrollment by both bodies, all bills shall be signed by the President of the Senate and the Speaker of the House of Representatives.

14. A public hearing on any bill may be held jointly by the Senate and House committees. The Speaker or President of the body in which the bill originates may request the President or Speaker of the other body to authorize the appropriate committee of that other body to sit at a joint public hearing. Joint hearings in no way preclude the bill being reheard by the committee of either body. Presiding over the hearings shall be the chairman of the committee calling for the joint hearing or his designee without regard as to whether a House or Senate bill is being heard. The Speaker or the President may authorize standing committees of their respective bodies to meet on non-legislative days as needed.

15. A bill or resolution may be recalled from the Governor at any time before it is signed by him, by the President of the Senate or the Speaker of the House, whichever body last had possession.

16. Concurrent Resolutions proposing Constitutional Amendments shall be submitted as concurrent resolutions entitled: "Concurrent Resolution proposing a

Constitutional Amendment Relating to ...." and with a resolving clause in the following form: "Be it Resolved by the (Senate) (House of Representatives), the (House of Representatives) (Senate) concurring, that the Constitution of New Hampshire be amended as follows:" Concurrent resolutions proposing a constitutional amendment shall truly propose to amend or supplement the Constitution and contain only subject matter which genuinely belongs in the fundamental law of the state: it being the intention of this rule to exclude therefrom all subject matter which is legislative in nature and all amendments for the primary purpose of obtaining a popular referendum. Each concurrent resolution shall set forth the text of the new matter to be inserted in the Constitution and also the text of a question summarizing the amendment, to appear on the ballot proposing such constitutional amendment. The General Court shall specify the particular election at which such question is to be submitted to the voters, and shall state whether it is to appear on the regular or a separate ballot. All such concurrent resolutions shall be read a first and second time by title and referred to the appropriate standing committee for public hearing and report. Amendments to such a resolution shall be in order while the measure is still on second reading. On the question of ordering such a resolution to third reading and on the question of final passage, the President and Speaker shall require a division vote unless a roll call is recorded under the rules and completed. Adoption of either of said questions shall require a vote of 3/5 of the entire membership of each body. In case of disagreement between the two bodies, such concurrent resolutions shall be subject to the usual Conference Committee procedure. Such concurrent resolution, if adopted by the required constitutional majority of each body, shall be enrolled in the usual form and signed by the Speaker and the President, and shall be submitted to the Secretary of State for appropriate action and for submission to the voters. Such concurrent resolutions shall be made a part of the permanent legislative records.

17. All hearings on a concurrent resolution proposing a constitutional amendment may be held jointly as provided under Joint Rule 14 by the appropriate standing committees of the Senate and House provided that in the event the resolution is amended in the first body and the second body chooses to have a second hearing this, too, may be joint. The committee vote on the resolution shall be by each committee, not by the committees jointly, and passage in final form shall be completed by both bodies not later than a date to be set in the calen-

dar year in which the resolution was introduced. After said date, no further action may be taken by either body on the resolution provided that if the opinion of the attorney general or an advisory opinion from the supreme court states that, the form of the question in the resolution needs to be amended, the two bodies may amend the resolution in such particular only by affirmative vote of no less than 3/5 of the entire membership of each body taken on division or roll call vote. A motion to so amend shall be in order in either body, notwithstanding any other rule to the contrary, at any time prior to the prorogation of the assembly of that General Court.

18. Any bill making an appropriation for the administration, operation and maintenance of any department or departments for each or any fiscal year of the biennium (Budget bill) or a bill making general appropriations for the cost of land, public improvements and other capital outlays, itemized by specific projects or classes of projects of the same general character (the Capital Budget bill) shall be introduced into the House no later than the third Thursday in March (March 16).

19. Committees of Conference.

(a) Whenever there be any disagreement between the Senate and the House on the content of any bill or resolution, and whenever both bodies, voting separately, have agreed to establish a Committee of Conference, the President of the Senate shall appoint three members to the Senate Conference Committee on the bill and the Speaker of the House shall appoint four members to the House Conference Committee.

Exceptions:

(1) the House Committee of Conference on the Operating Budget shall consist of five members;

(2) the number of the members of the Committees of Conference on any bill may increase or decrease if the President and the Speaker both agree. The two Committees of Conference on a bill shall meet jointly but vote separately while in conference. A unanimous vote by each Committee of Conference shall be necessary for an agreed report to the Senate and the House by the Committees of Conference.

(b) The first-named person from the body where the bill or resolution in disagreement originated shall have the authority to call the time and place for the first meeting of the Committee of Conference on said bill.

(c) The first-named person on a Committee of Conference shall be the chairman of that conference. The chairman of the Committee of Conference of the body where the bill or resolution in disagreement originated shall chair the joint meeting of the Committee of Conference.

(d) No action shall be taken in either body on any Committee of Conference report earlier than some subsequent day, after the report has been delivered to the seats or placed on a member's desk. A Committee of Conference may neither change the title of any bill submitted to it nor add amendments which are not germane to the subject matter of the bill as originally submitted to it.

(e) Conference Committees on Budget bills. The report of each Committee of Conference on either the General Appropriation bill, or the Capital Improvements bill shall be printed in the journal or a supplement thereto of the appropriate body before action on said report is taken on the floor. Non-germane amendments, sections and footnotes to such bills (except footnotes in explanation of the principal text of such bills or designating the use or restriction of any funds or portions thereof) are prohibited and shall not be allowed under any circumstances. Notwithstanding the general provisions of paragraph (h) of this section, the Conference Committee on general appropriations bill may propose new items for inclusion in said bill but no such item may be so included unless and until it shall have been returned to both the Senate and the House and adopted in identical form by a majority vote in each body.

(f) When both Committees of Conference on a concurrent resolution proposing an amendment to the constitution have agreed, the Committee of Conference from the body which acceded to a request for Committees of Conference shall file its report with the clerk of that body who shall print it in full in the journal or supplement of that body. The report shall be made a special order of business at the late session of a subsequent day. After said report has been adopted by the first body, a message shall be transmitted to the second body which shall then act upon the report of its Committee of Conference.

(g) A sponsor of any bill or joint resolution referred to Committee of Conference shall, upon his request, be granted a hearing before said committees prior to action thereon.

(h) No member of a Committee of Conference shall sign any report that con-

tains non-germane amendments or subject matter that has been indefinitely postponed in either body. For the purposes of this rule, a non-germane amendment would be any subject matter not contained in either the House or the Senate version of the bill.

20. No Joint Rule, except rule 12, shall be suspended unless 2/3 of the members present, in each house, voting separately, vote in favor thereof.

21. Members of both houses may sponsor legislation jointly. Proposed legislation will be titled House Bill or Senate Bill according to the first named sponsor. On such jointly sponsored legislation, the approval of up to five House members and up to five Senators shall be sufficient for the introduction of any bill, joint resolution, CACR, or bill of intent. If more than five House members and/or more than five Senators wish to be sponsors, the first-named House/Senate member on the bill shall determine the names of the four House/Senate co-sponsors whose signatures are required for introduction. Other House/Senate members may be added as co-sponsors by notifying their respective clerks prior to the date of the first public hearing on the proposal, and their names shall be recorded in the journal of that session.
